IPSB Registration Policies

Submission of this card is a formal registration and indicates your agreement to all policies and conditions, including responsibility for all fees incurred.

- Please enter a valid email address to receive a courtesy enrollment reminder prior to the class beginning. It is the student's responsibility to keep track of classes in which registered, to arrive to classes on time, and to bring required materials and fees.
- **550 Hour students** have priority enrollment and need not pay a deposit to register for class. **Non-550 Hour students** must submit a \$50 deposit with a registration card in order for a space to be held, however, until two weeks before a class start date non-550 Hour students may be bumped from a class, last enrollment first, to accommodate 550-Hour students with priority enrollment. If a class is filled at the time of receipt of your registration card, or you are bumped, you will be notified of your wait list status. If a space in the class does not open for you, your deposit may be refunded, or transferred to another class with no penalties or fees. Every attempt will be made to add a student to a requested class.
- If you choose to cancel registration, you must do so by submitting a red Cancellation Card at least one week prior to the class start date. There is \$5 administrative fee to cancel a class. Late cancellations, less than one week before the class start date, carry a fee of \$50. **Cancellation fees apply to both 550 and Non 550 students.**
- If you are unable to attend the first class meeting, you must notify the office to remain in the class. A student absent at the first class meeting who has not contacted the office by the start of class will be considered a no-show and the space offered to any wait listed students. The \$50 late drop fee will be assessed. **Three no shows may revoke 550 Hour contract privileges, or restrict a non-550 Hour student to registering no earlier than one week before a class start date.**
